We received guidance today (June 26) on some next steps for the Administrator's reconsideration of the Final Determination. We have been asked to draft a Federal Register notice that will open a new public comment period. I attached a copy of the briefing we gave this morning.

I would like to meet with Chris L. at a minimum to discuss the drafting of a FR notice. I am hoping Cay and Mike can participate, but there wasn't much open on everyone's calendar tomorrow, and I would like to see if Chris has time to begin drafting later this week once we discuss what it is.

Thanks  
Bill
